Summer internships at the Fed:

1. Washington (Board of Governors)  
2. Boston (FRBB) [http://www.bos.frb.org/economic/recruit/intern.htm](http://www.bos.frb.org/economic/recruit/intern.htm)
3. New York (FRBNY): The Federal Reserve Bank of New York is particularly interested in recruiting students from diverse backgrounds. Applicants should have a strong interest in pursuing a career in banking, economics, or finance. They have a 90% conversion rate from intern to full-time employee. The Federal Reserve Bank of New York's summer internship program combines project oriented work assignments with training and development activities designed to provide an overview to the Federal Reserve of New York and to enhance critical business skills through presentations, analysis, writing and computer projects.

Description: Program combines project-oriented work assignments with training and development activities designed to provide an overview of the Federal Reserve. It is also meant to enhance interns’ critical business skills through presentations, analysis, writing and computer projects. Internships are paid and begin in May/June. Deadline: January 31 Prerequisites: Must be graduate student or undergraduate who has completed 3rd year of studies and has a strong interest in banking, economics, public policy and/or finance. Procedures: Submit cover letter, resume, and transcript directly to the F.R.B to: Summer Internship Coordinator, Campus Recruitment Staff, Human Resources Department, 33 Maiden Lane, 26th Floor, New York, NY 10038-4502 Telephone: 212-720-6922 (Campus Recruitment Staff) Web:
New York City
