1. The following is an addendum to the information regarding the Scholars Math Distribution requirements for Students in the B.A. and B.S. programs:

Scholar Distribution Requirements for Students in B.A. and B.S. Programs

E. Mathematics — Scholars must earn at least a grade of B (3.00) in one of MATH 106, 109, 112, 115, or 123; or successfully complete one of MATH 128, 129, 130, 214 or 216.

2. The following is an addendum to the Departmental Honors requirements on pg. 59:

Honors projects are normally undertaken only in a student’s major, and are available only to exceptionally well-qualified students who have a solid background in the area of the project, are capable of considerable self-direction, have an overall GPA of at least 3.00, and a GPA in the major in which the honors project is undertaken of at least 3.50. Students with a GPA of 3.0 or above in the major in which the honors project in undertaken may appeal to the Committee on Academic Standards for special permission to undertake an Honors project.

3. The following is an addendum to the Interdisciplinary Minors list:

Interdisciplinary Minors — Interdisciplinary minors include course work in two or more departments. Students interested in interdisciplinary minors should consult the faculty coordinator of that minor. Interdisciplinary minors are available in the following areas:

- AMERICAN STUDIES
