

You don't need to buy and pack everything!

Below is a list of local businesses that are easily accessible from Lycoming College. This list is by no means comprehensive, and these businesses are not officially promoted by the College. We just thought it would be helpful in the event that a student needs (or wants) to shop after arriving at Lycoming. All are located within a 15-mile driving distance from campus and some are actually within walking distance.

Even if a student doesn't have a car, all are on the local bus routes (including the mall) and all students have access to free River Valley Transit city bus service using their College ID. For bus route information see the River Valley Transit website - <http://www.ridervt.com/>
