We appreciate our teachers!

LEARN of Lycoming County will celebrate our Kindergarten and Preschool teachers during a November 22 Teacher Appreciation Luncheon! And we would like your help in honoring them!

There are currently more than 6,000 children under the age of 5 living in Lycoming County! Many of these children are enrolled in quality early learning programs or kindergarten classrooms. Each day, teachers engage young developing minds as they begin successful academic careers. Eventually, these thriving individuals will be driving our local economy 18 years from now.

With a $50 donation, your organization will sponsor one area teacher to attend the event where he/she will enjoy a catered lunch, a gift for attending, plus chances for numerous door prizes the LEARN Team has gathered from local community businesses. Our goal is to allow 100 area teachers to attend this event at no cost to them through the generosity of local supporters.

In return for your charitable, tax-deductible gift, each teacher you sponsor will know exactly who contributed towards his/her seat at the event. Each table setting will showcase promotional tent cards bearing your organization’s name as the sponsor for that seat. Sponsors will also receive public recognition during and after the event. In addition to helping to recognize our teachers, you will also be helping to support LEARN of Lycoming County, a community program that delivers early learning materials and books to children, teachers & parents.

I sincerely appreciate the time you have taken to read and to consider our request. If you have any questions regarding LEARN of Lycoming County or the Teacher Appreciation Luncheon, please do not hesitate to reach out to me at 570-321-4226 or by emailing mcclainb@lycoming.edu.

Thanking you,
Beth McClain
LEARN Coordinator, Lycoming County

Please cut along line and mail your support to LEARN of Lycoming College, 700 College Place, Box 22, Williamsport, PA 17701
