

COMPRESSED CLASS SCHEDULE – 2021-22

In the event of a delayed opening due to Inclement Weather, the College will operate classes on a Compressed Schedule starting at 10 AM. See the charts below for the meeting times for classes in a compressed schedule scenario. The campus community will be notified of a delayed start via email, the College’s homepage, and the emergency text messaging system. Even with the compressed schedule option, be sure to check the Individual Course Cancellation page as weather conditions may prevent individual faculty from traveling to campus. For more information on the College’s Inclement Weather Policy, see <http://www.lycoming.edu/inclementWeather/policy.aspx>.
