

Constitution Day at Lycoming College

Constitution Day is observed each year on September 17. It offers an opportunity for people across the United States to recognize and reflect on this important document by participating in activities within their communities. To learn more, visit <http://www.constitutionday.com>, and join in the celebration here on campus through activities, which in the past have included a student signing of the Constitution, Constitution & Cupcakes, and a celebration of the Constitution and Lycoming College's 3+3 degree program with Widener University Commonwealth Law School.
