Freely with contemplation \( \dot{=} (54-60) \)

A gentle invitation \( \dot{=} (64) \)

10 TB (tutti or solo) \( mp \)

Shall we gather at the river, Where bright angel feet have trod;

A gentle invitation \( \dot{=} (64) \)
With its crystal tide forever flowing by the throne of God?

An affirming response...

Yes, we'll gather at the river, The beautiful, the beautiful river;

Gather with the saints at the river That flows by the throne, that

flows by the throne of God.
Gently flowing

Ere we reach the shining river, Lay we ev'ry burden down;

Ere we reach the shining river, Lay we ev'ry burden down;

Grace our spirits will deliver and provide a robe and crown.

Grace our spirits will deliver and provide a robe and crown.

Grace our spirits will deliver and provide a robe and crown.
Yes, we'll gather at the river, The beautiful, The beautiful

Gather with the saints at the river That

flows by the throne, that
flows by the throne of God, the throne of God, that
Shall we gather, shall we gather, shall we gather,

Shall we gather, shall we gather, shall we gather,

flows by the throne, that flows by the throne,

flows by the throne of God, the throne of God,
mf cresc. sempre...

Shall we gather, shall we gather by the throne of God.

mf cresc. sempre...

Shall we gather, shall we gather, shall we gather, by the throne of God.

mf cresc. sempre...

flows by the throne, that flows by the throne of God.

mf cresc. sempre...

flows by the throne of God, by the throne of God.

Soon we'll reach the shining river, Soon our pilgrimage will cease;

Soon we'll reach the shining river, Soon our pilgrimage will cease, will cease;

Soon we'll reach the shining river, Soon our pilgrimage will cease;

Soon we'll reach the shining river, Soon our pilgrimage will cease, will cease;

\( \text{Re, sim.} \)
Soon our happy hearts will quiver with the melody of peace.

Yes we'll gather at the river, the beautiful, the beautiful river;
Gather with the saints, gather at the river that flows by the throne, that flows by the throne of God, that flows by the throne of God, that flows by the throne of God, that flows by the throne of God, that flows by the throne of God.
God, the throne of God, that flows by the throne of God, the throne of God, that flows by the throne of God, the throne of God.

God, of God, that flows by the throne of God, of God, that flows by the throne of God, of God, that flows by the throne of God, of God.
God, the throne of God.

God, the throne of God.

God, the throne of God.

God, the throne of God.
