EAE	Description
<input type="checkbox"/> EAE: Second Major	Second Major: Completion of a second major. <i>Verified by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Minor	Minor: Completion of a minor. <i>Verified by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Scholars Program	Scholars Program: Completion of the Lycoming Scholars program. <i>Verified by the Director of the Scholars Program and submitted through WebAdvisor.</i>
<input type="checkbox"/> EAE: IMS Scholars Program	IMS Scholars Program: Completion of the Management Scholars Program of the Institute for Management Studies. <i>Verified by the Director of the IMS and submitted through WebAdvisor.</i>
<input type="checkbox"/> EAE: Teacher Certification	Teacher Certification Program - at least 20 credits toward a specific teacher certification program. <i>Verified by the Education Department and submitted through WebAdvisor.</i>
<input type="checkbox"/> EAE: Acct 150	150-credit Accounting major: Completion of the 150 credit accounting program. <i>Verified by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Departmental Honors	Departmental Honors: Completion of a departmental honors project. <i>Verified by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Intrnshp/Prctcm Credit	An internship , including those completed within a practicum, earning a minimum of four credits. <i>Verified by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Non-Credit Internship	A non-credit internship - through the Clean Water Institute summer internship program, the WISE program, or any other college-established non-credit internship program. <i>Verified through WebAdvisor by the Associate Provost for Experiential Learning.</i>
<input type="checkbox"/> EAE: ROTC Program	The ROTC program , as evidenced by successful completion of the two 300-level MLSC course sequence. <i>Verified by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Cooperative Program	Cooperative Program: Completion of a cooperative program through an established affiliate program at Lycoming College such as the physics engineering program with Binghamton University, Medical Lab Science with affiliated hospitals, and the accelerated MBA program with Rochester Institute of Technology. <i>Verification by the Registrar's Office through WebAdvisor Program Evaluation.</i>
<input type="checkbox"/> EAE: Experiential Travel Prog	An experiential course of study/program involving travel of more than seven continuous days, inside or outside of the US. These experiential travel courses must be taken either for credit or as an audit and are broadly inclusive of study abroad semesters, summer programs, archaeological field schools, faculty-led travel courses, and institutional partnership programs. Experiential travel courses may count for both the EAE and a course in the major, minor, or Distribution. <i>Verification of completion by the Associate Provost for Experiential Learning and submitted through WebAdvisor.</i>
<input type="checkbox"/> EAE: Research Program	Research Program: Completion of a competitive regional or national research program or residency as approved. <i>Verified in WebAdvisor by the Associate Provost for Experiential Learning.</i>
<input type="checkbox"/> EAE: Research Collaboration	A student-faculty research collaboration extending beyond the standard research requirements of a major or minor. Both the supervising faculty member and the department chair must approve EAE eligibility before submitting the documentation to the Center for Enhanced Academic Experiences for final verification. <i>Verified in WebAdvisor by the Associate Provost for Experiential Learning.</i>
<input type="checkbox"/> EAE: Presentation/Performance	Presentation, Performance, Exhibition, or Publication: Completion of a presentation, performance, exhibition, or publication in a regional, national, or international juried or refereed competition, conference, or journal, including a refereed poster session at an undergraduate regional or national academic conference as approved by the appropriate departmental chair. <i>Verified in WebAdvisor by the Associate Provost for Experiential Learning.</i>
<input type="checkbox"/> EAE: PreApv Non-Credit Intern	A Pre-approved non-credit internship should include at least 200 hours of work, a clear set of internship responsibilities and expected outcomes, journal assignments with a member of the Center for Enhanced Academic Experiences' career advising team, and an evaluation by the internship site supervisor. These non-credit internships must have pre-approval through the Center for Enhanced Academic Experiences before the commencement of the internship. <i>Verified through WebAdvisor by the Associate Provost for Experiential Learning.</i>
<input type="checkbox"/> EAE: Unknown	The advisor is concerned about the student's ability to complete an EAE. Please notify the Registrar and Assistant Dean of Academic Services about these concerns.
